

## EDUCATION

---

**A. J. INSTITUTE OF ENGINEERING AND TECHNOLOGY**

Bachelor of Engineering

NH-66, Kottara Chowki, Mangalore - 575006

Pursued a course of study in **Computer Science and Engineering**Cumulative GPA: **7.25/10**Passed with **72%****MAHATMA GANDHI MEMORIAL PRE-UNIVERSITY COLLEGE**

Pursued a course of study in Computer Science

Passed with **76.83%**

Jul 2016 - Jul 2018

**SRI VENKATARAMANA SWAMY HIGH SCHOOL**Studied **Mathematics, Statistics, English, Computers**Passed with **87.04%**

Jul 2006 - Jul 2015

## TECHNICAL SKILLS

---

- **Programming Language** Python
- **Python Libraries** NumPy, Pandas, Matplotlib, Seaborn
- **DBMS** Microsoft SQL Server (SSMS), SQL
- **Data Visualization** MS Excel 365, MS Power BI
- **Data Warehousing** Extract, Transform, Load, Statistics

## SOFT SKILLS

---

Communication, Critical Thinking, Problem Solving, Business Intelligence, Collaboration

## PROJECTS

---

**ATLIQ HOSPITALITY REVENUE ANALYSIS USING POWER BI**

- Analyzed Hospitality data to get the insights of profit and total revenue on week-on-week trends
- Key metrics on Total\_Bookings, Occupancy rate, Cancellation rate and the city generating more revenue by category

**PIZZA SALES ANALYSIS USING SQL AND EXCEL**

- Analyzed top 5 best selling pizzas and bottom 5 worst selling pizzas, identify the maximum sales by category
- Daily and hourly trend for total orders and the average amount spent per order, total number of orders placed

**HOTEL BOOKING CANCELLATION ANALYSIS USING PYTHON  
(PANDAS, MATPLOTLIB, SEABORN)**

- Performed exploratory data analysis to increase the revenue as it is affected by the highest cancellation of bookings
- Developed different charts to analyze the data where exactly the cancellation is occurring more on the places

**STORE SALES ANALYSIS USING EXCEL**

- Analyzed top 5 customers who are bringing more revenue and profit gained over time
- Sales by different category, total customers sales by states as well as yearly sales, top products providing more profit

## CERTIFICATIONS

---

**DURGA SOFTWARE SOLUTIONS**

Microsoft Power BI – (Data Modelling, Power Query, Data Cleaning, DAX, Data Visualisation, Power BI Service)

**COURSERA**

Microsoft Excel 365 – (VLOOKUP, Power Query, Charts, VBA, Reporting)

**ITECH ANALYTIC SOLUTIONS**

Microsoft Power BI, Excel, SQL Server, Python libraries – (Data Analytics)
